

Our Porch Swing Story

Remember when we sat on the porch swing in the evenings and talked about our day? Remember when as kids we watched fireflies on the front lawn and saw the stars come out above our heads?

Remember the first time you brought your sweetheart out to the porch for some swingin'? We developed a sense of community on our porch swing. We learned to trust each other as we let go of the day's light and relaxed into the night.

One of our longtime Habitat volunteers, reminisced about those times and had a plan in mind when he donated his carpentry tools to our ReStore. Always thoughtful of ways to continue his giving, he decided to use his talents to design and build swings for the ReStore to sell. Beyond our highest expectations, our gifted crew of volunteer craftsmen have created The Beaufort Collection!

We hope that you will join us in swinging on the front porch...

and ReStore the good times.
